## Vel "Houses" og síðani tað húsið ið skal synkronisera við airbnb.

The screenshot displays the 'House' management page in the Book Local Admin interface. On the left sidebar, the 'Houses' menu item is circled in black. The main content area shows a list of houses with dropdown menus for each. The first house is 'HOUSE: Apartment with fantastic view' and the second is 'HOUSE: Apartments with Great View'. At the top right of the page, there are buttons for '+ Add house' and 'Save'.

House

Book on request

Edit special comments

Edit short text

The house is situated quite high above Tórshavn. The apartment is at the top floor, with stunning view.

Edit long text

The apartment building is situated somewhat above the city center of Tórshavn, the apartments are on second and third floor. Apartment no. 5 (3rd floor) with stunning views from every room facing east and south. There are two bedrooms with 2 single beds each. And in the livingroom there are 2 sofas/beds. There is only a 10 minute walk to all central locations in downtown Tórshavn.

You can from the livingroom and the kitchens windows enjoy the stunning views of Tórshavn, the busy harbour, the ocean and Nolsoy Island situated across the fjord. The apartment has an open space livingroom and kitchen with all amenities for cooking. The city of Tórshavn center is just a short walk away. The shoppingcenter SMS, the Nordic house, public swimmingpools, the national football stadium, art museum and a recreational park are within 10 min. walking distance. There are free busses in Tórshavn - the red busses - busstops 3-5 min. walking distance.

Your host would like you to agree to the following house rules:

- No parties/events
- Quiet hours are between 23:00 and 07:00

# Vel tað húsið ið skal synkronosera við Book Local. Vel "Pricing and Availability", síðani "Calendar sync".

Týst á "Import Calendar" og legg leinkjuna frá Book Local í "Calendar Address (URL)" og skriva Book Local í "Name your Calendar" og trýst import.

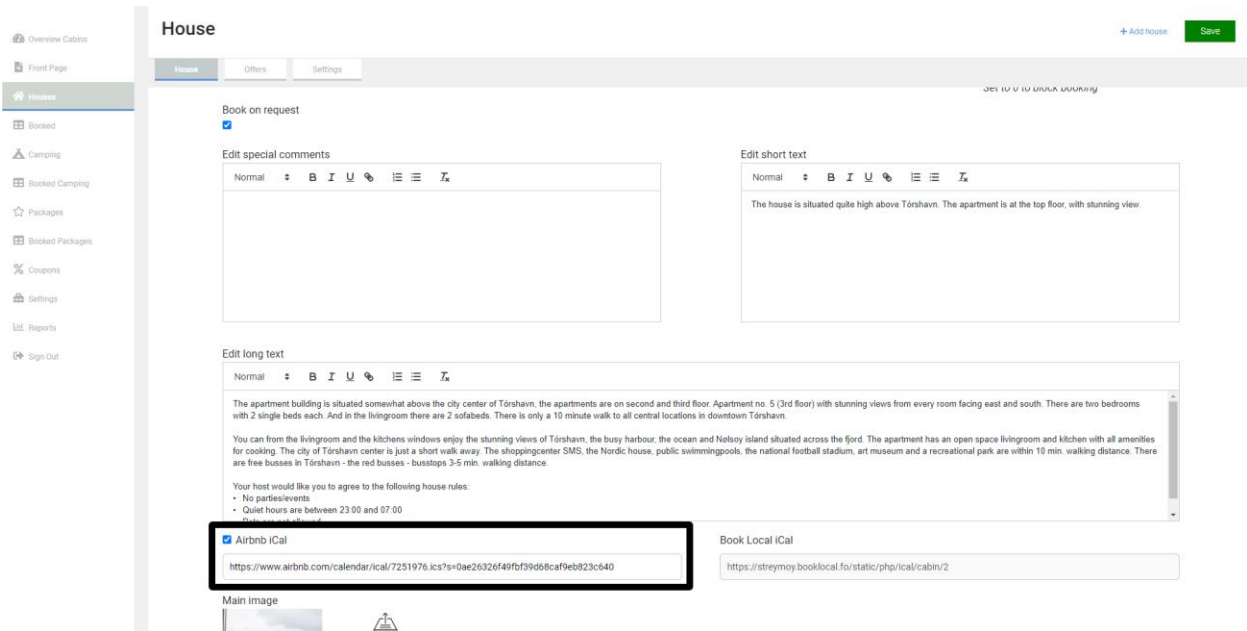

# Vel "Export Calendar"

The screenshot shows the Airbnb listing settings page. The left sidebar contains a menu with categories: Listing details, Pricing and availability, Calendar sync, Policies and rules, Info for guests, and Co-hosts. The main content area is divided into sections: Availability window (All future dates), Restricted check-in days (Not set), Calendar sync (Booklocal - Buttercup), Import Calendar and Export Calendar (highlighted with a red circle), Link your calendars, Sharing settings (Other hosts will get either your listing photo and title, or your booked prices, dates, and number of guests), and Give feedback. The top navigation bar includes Home, Inbox, Reservations, Calendar, Listings, Performance, and Help, along with a 'Create new listing' button and a user profile icon. The footer contains links for ABOUT, COMMUNITY, HOST, and SUPPORT.

## Kopiera leinkjuna

This screenshot shows the same Airbnb listing settings page as above, but with the 'Export Calendar' dialog box open. The dialog box has a title 'Export Calendar' and a close button. It contains the instruction 'Copy and paste the link into other ICAL applications' and a text input field with the URL: `https://www.airbnb.com/calendar/ical/7251976.ics?e=0ae26326f40fb39`. The background settings page is dimmed.

Far aftur til (Book Local – Admin) og set hakk við "Airbnb iCal" og legg leinkjuna í, sum víst verður á myndini niðanfryi og trýst Save.

The screenshot shows the 'House' management page in the Book Local Admin interface. The left sidebar contains navigation options like 'Overview Cabins', 'Front Page', 'Houses', 'Booked', 'Camping', etc. The main content area has tabs for 'Houses', 'Offers', and 'Settings'. The 'Houses' tab is active, showing a form to edit a house listing. The form includes sections for 'Book on request', 'Edit special comments', 'Edit short text', and 'Edit long text'. The 'Airbnb iCal' checkbox is checked and highlighted with a red box. The URL for the Airbnb iCal feed is visible in the input field below it.
